

## Bible Doctrine 2 – Lesson 4

### The Word of God

#### 2 Timothy 3:14-17

**Introduction:** Truth is hard to come by today. A popular belief in our society today is that truth is relative. They say that truth is true depending on who tells it and who hears it. They say that truth is true depending on the circumstances surrounding it. They say what may be truth for one person may not be truth for another.

The world is confused when it comes to the truth. There is no way that truth is relative. Truth is true because it is truth. Truth is true no matter who tells it or who hears it. Truth is true regardless of the circumstance or situation. When it comes to the truth what is true for me is true for you and what is true for us is true for everyone. The world may be confused about the truth but we Christians should not be. Psalm 119:160 says, *“Thy word is true from the beginning: and every one of thy righteous judgments endureth for ever.”*
