

Bible Doctrine 2 – Lesson 8

The Doctrine of Judgement

Hebrews 9:27

Introduction: One of the great warnings of Scripture is that of judgement. The theology of judgement is something that is not given level of credence that it should receive today. It has not always been this way.

. We are the Watchmen of our generation. We must thunder the warning of an all consuming ever encroaching judgement. God said to Ezekiel in **Ezekiel 22:30**, “*And I sought for a man among them, that should make up the hedge, and stand in the gap before me for the land, that I should not destroy it: but I found none.*” In this class we will look at future judgements.
